

GEFORCE NOW™

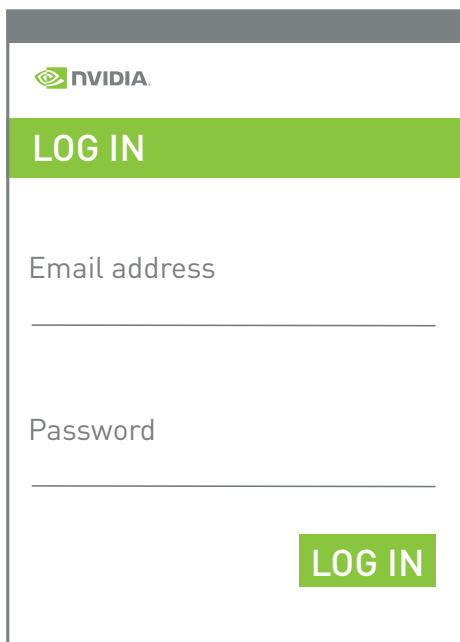

QUICK START GUIDE

01

LOG IN OR CREATE AN ACCOUNT

Use the in-app network test to confirm that your network meets GeForce NOW requirements for an optimal gaming experience.

The image shows a mobile app interface for logging in. At the top, there is a grey header bar. Below it, the NVIDIA logo is displayed on a white background. A green bar with the text "LOG IN" in white is positioned below the logo. Underneath the green bar, there are two input fields: "Email address" and "Password", each with a horizontal line for text entry. At the bottom right of the form, there is a green button with the text "LOG IN" in white.

02

TEST YOUR NETWORK

Use the in-app network test to confirm that your network meets GeForce NOW requirements for an optimal gaming experience.

SERVER LOCATION

This setting will take effect next time you launch a game.

TEST NETWORK

Analyzing network

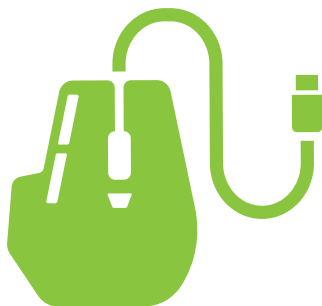

03

SWITCH TO A GAMING MOUSE

A USB (wired or wireless) or Bluetooth gaming mouse will provide reduced latency, higher sensitivity and a tactile scroll wheel.

[Read system requirements](#)

04

FIND YOUR GAMES

Type a game name or keyword in the search box to add it to your GeForce NOW Library.

Game XYZ

+ LIBRARY

Game 1

Game 2

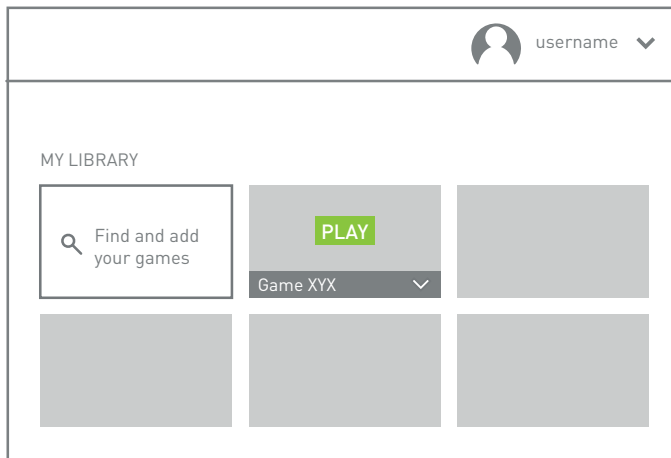

Game 3

Game 4

05

PLAY YOUR GAMES

Click the Play button to launch it from the GeForce NOW servers. You'll be asked to sign into the digital store associated with your account to confirm your ownership, or purchase the game.
